2nd November 2011

To Whom It May Concern:

Farm Fantastic is happy to provide a reference for NSR Security to work in any event situation. NSR Security secured Farm Fantastic in 2011 without complaint.

Farm Fantastic has found their team to be reliable during bump in and out following all our directional requirements without complaint and in a professional manner.

NSR Security staff has always been polite, efficient and hard working team. Their service is always professional and they have been able to assist us in any situation which may arise urgently with extra staff during our event.

Farm Fantastic would be happy to recommend them to your event. Should you require further information please contact me on the details below.
